

An annual tradition dating back decades, the Sugarplum Festival is an artisan and specialty craft fair highlighting regional vendors and small businesses. Over 1,500 visitors attend this signature event each year, seeking unique gifts and treats while supporting local businesses.

As our largest fundraising event of the year, the Sugarplum Festival is a unique opportunity for the museum to connect visitors to local artisans. But we cannot do it alone.

We need you

Your tax-deductible contribution ensures that we can provide arts education year-round to community members aged 3 to 103. Your support bolsters the conservation efforts of one of St. Joseph's premiere historic homes and ensures a future that is merry and bright. As a thank you for your gift, we are including complimentary tickets and exclusive VIP parking passes with each level of sponsorship.
