

Classical Drawing Workshop

Supply List

Thank you for your interest in joining the classical drawing workshop! In this one-day class we will discuss a traditional proportional measuring system called "sight-size drawing" and work from the famed 19th century Charles Bargue Drawing Course. Below you will find a list of materials to bring with you for the workshop. If you have any questions please don't hesitate to reach me at info@fountatelier.com.

Materials:

- 11x14 pad of smooth drawing paper
- Set of graphite drawing pencils including 5H, 4H, 3H, 2H, H, HB, B, and 2B
- Ruler
- Knitting needle or wooden skewer (like the type you use when grilling)
- Rubber Factus style eraser
- Kneaded eraser

** A drawing board at least 18x24" is helpful but not required
